MILLERSVILLE VETERANS MEMORIAL

As a tribute to the proud men and women who have served our country a Veterans Memorial was erected and dedicated on November 11, 2013 in the Millersville Borough's Freedom Memorial Park located at 9 Shertzer Lane, Millersville, Pennsylvania. The memorial wall is dedicated to veterans of the United States Armed Forces and Merchant Marines with everlasting gratitude. The Veterans Memorial includes benches, flag poles, landscaping, lights and over 2000 bricks in the courtyard. Citizens can have a brick engraved in honor of children, parents, grandparents, friends, etc. – those remembered with brick engraving do not have to be a veteran. The Veterans Memorial Project was a collaborative venture of the Millersville 250 initiative, the Millersville Area Historical Society, the Millersville Borough and area friends.

Additional brick order forms and other information on this memorial can also be found at Millersville Borough's website: <http://millersvilleborough.org>, the Borough Office, or by calling (717)872-4645 extension 105. All engraved brick orders received before September 1st will be installed in the Millersville Veterans Memorial courtyard on or before Veterans Day of each year. Brick purchasers may create the best inscription for their heroes and may include branch of service, years, rank, etc. Please keep in mind the total character length for each line is only 15 characters (including all spaces and punctuation). Brown bricks are reserved for veteran tributes; all other brick purchases will be terra cotta.
