NEW BUSINESS

a. **Presentation of County GIS Software (Glenn Mohler, Manager)**

GISMO allows users to navigate using the map display or search by address or parcel account number. The application accesses a variety of base maps containing information such as property and municipal boundaries, color aerial photographs, school district boundaries, survey monuments, terrain features, transportation networks, and much more.

In addition to a larger map display, GISMO features quick search capabilities, dynamic spatial selection tools, property assessment information, and map printing templates. Mr. Mohler explained navigation through the GISMO Software application which can be accessed at the Lancaster County Website by visiting www.co.lancaster.pa.us.
