NEW BUSINESS

a.   Discussion of a Borough Official Map

Further discussions revolved around consideration of a Borough Official Map Ordinance. It was suggested that all Planning Members bring their suggestions for items to be included to the next Planning Commission Meeting.

b.   Discussion of Route for Potential New Road

There was discussion on the route for a potential new road out of the southeast area of the Borough. Discussions revolved around information gathered during the Comprehensive Plan update study. It was decided that a meeting invitation would be sent out to the parties who would be majorly affected.

The Lancaster County GIS Software Program (GISMO) was accessed from the Borough computer with navigation through the program by Chairman Weidinger in order to show a visual land presentation on potentially where a new road could be located. The program was available at no cost to the Borough through the County of Lancaster.
