NEW BUSINESS:

Discussion of Request by F3 Lanco to use Park Facilities After Hours During Winter Months

The F3 representative would like to use the park a bit after dark for their group to finish up their sessions. They meet one day a week 6:30-7:15pm. Usually only 4-8 people with no amplified music. They were approved by Chair DeLong and PC Healy, with the guidance to stay in the lights and not near the pavilions. Will discuss with Borough Police.

Discussion of PMYSBA Batting Cage Request

PMYBSA would like to build a batting cage. They would finance the build and maintain all upkeep. Their equipment would stay in a locked area, but the cage would be available to public. They would like to start working on it as soon as April if possible. No vote was made; Rebecca will follow up with PMYBSA to confirm it would need to be open to the public.
