PMYBSA opening event day- Rachel McCormick from PMYBSA attended to inform the parks commission they are requesting use of the park for an opening day event that will bring over 300 people to the park. We discussed needs for COI, food truck insurance, possible bounce house and need for port-a potties. She will research with her committee and return with information. The committee will also make a recommendation that the PMYBSA not receive a discount on field usage for their season March-October.
