Mr. Michael Weidinger started the discussion by giving an overview of the process of creating a Comprehensive Plan and the need to have a Steering Committee to help guide the process. He informed everyone that a list was being created of interested Business Owners, Community Leaders, members of Penn Manor School and Millersville University and Residents of the Borough who are interested in serving on the Steering Committee. All Planning Commission members will also be a part of the Committee. Three residents, Jeffrey Rambish, Anne Thundercloud, and Lauren Dissinger were in attendance and expressed their interest in being a part of the Steering Committee. All three had an opportunity to introduce and give a little background about themselves to the Planning Commission.

The Planning Commission recommended all interested people currently on the list along with the three in attendance be instated to the Steering Committee. The List will be sent to the Borough Manager and Borough Council for approval.
