Anything that pays taxes to the Borough

A good hardware store with service

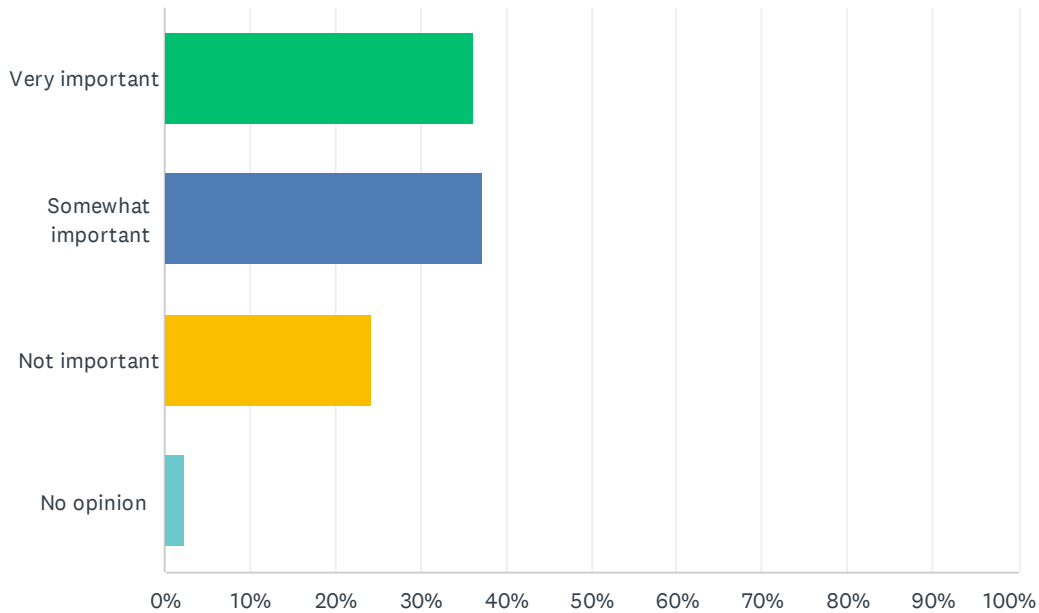

Park

None of the above. Repurpose what we have. Please don't take away what little green space remains.

Only if totally unavoidable. Whose brilliant idea was this? We don't want it, we don't need it. New businesses add traffic, destroys green space. Totally unnecessary.

Q2 How important do you believe it is to create more of a town center on one or two blocks of Millersville, with additional small stores and restaurants?

I would study this.

No more housing.

None of the above.

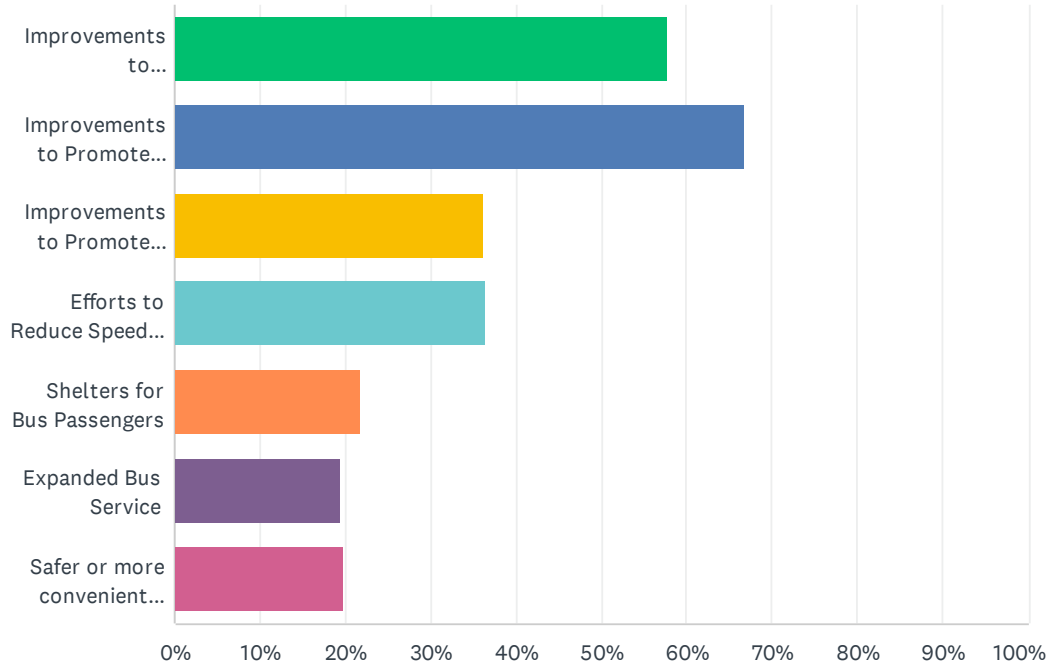

Existing new housing is ugly, ill kept and creates eyesore waste.

None. We have enough new development.

Please do not put high density housing on either side of Rt. 741 - make it a park.

Q4 Please check the top three types of transportation improvements you believe are most needed in Millersville.

45	Striping of a white line, to signify a parking lane for the right side on way street section. Such as North Prince street. Revaluation of N. Duke street and Fredrick street stop signs. Also reavulate stop signs on Fredrick and south Duke street. The purpose and reason for adding signage was due to the inability to properly see due to obstruction of visibility around the corners, which resulted in traffic accidents. Over the years obstructions have been reduced and eliminated. Traffic flow has changed. Time to audit and determine a better solution. Maybe a round about? Or trial removing stop signs on fredrick? Another point of interest. The blocked off turning lane at W. Fredrick and Shenk In. Pedestrians crossing is a risk due to turning lane but this is a huge bottle neck for traffic. Some pedestrian cross walks should be made an overpass or relocated crossways. The light at Leaman Avenue and manor Avenue should only be no turn on red Monday through Friday during school hours.	12/9/2021 10:11 PM

Currently my children walk almost 2 miles each way to school.
 N. George and Cottage needs improvement.
 Frederick and Duke needs improvement.
 Promote walking and bicycling like in Europe.
 Please encourage walking by not adding more traffic. Enforce
 loud noise ordinance vigoresly, if ordinance exists
 heavy 741 traffic (2 comments)

Existing parks are lovely, don't ruin them.

No one uses the minipark now - should do art shows, movies in the summer

We already have most of these facilities.

Don't ruin the soccer field in front of the International House by installing another strip mall.

Do we really need to pave over every last inch of green space in the name of progress?

These facilities already exist, unless you build stupid buildings on them.

Why are people so itchy to do something to our nice town?

51	The borough park is a great location but needs serious improvement. There isnt enough equipment for the varied ages. So many ppl leave the borough for play dates bc there are better parks. Middle and highschool kids sit on the swings and playset making young children not want to play and the taller structure isn't large enough to keep interest of the older kids. Theres so much space there, and so many kids in Millersville that a better park should be a priority.	1/13/2022 7:55 AM

Let it be, don't ruin it.

The Freedom Park is well maintained and I'd like to see it stay that way.

8	The lack of population density	4/27/2022 10:38 AM
9	The location. I enjoy being close to everything in Lancaster, but not needing to live directly in the city.	4/11/2022 2:03 PM
10	I really like the small, walkable feel of the town. I would be sad to see the town changed dramatically by the building of large businesses or housing complexes.	3/30/2022 9:38 PM
11	Small town feeling and college in town providing entertainment and cultural events	3/28/2022 7:15 PM
12	The peace and quiet.	3/25/2022 4:45 PM
13	The nature an quietness/peacefulness	3/15/2022 11:26 AM
14	It's filled with young people looking to plant themselves and make a home. If you create a space where students don't want to leave because there are things to do, then there ya go..eventually you will have a mini-Lanc.	3/15/2022 8:59 AM

22	Local stores. University town feel	3/3/2022 4:29 PM
23	I love how small it is, and not busy. That I see the same faces when I go to the stores. I love that John Herr's, Turkey Hill, and the Post Office are all really close and I don't have to leave Millersville. I also love that Millersville is not a destination brining people into Millersville on weekends so I can enjoy Millersville without the crowds of strangers I am more likely to see in Lancaster.	3/3/2022 3:06 PM
24	House of Pizza	3/3/2022 2:30 PM

It's quiet

Everything.

The town offices and police station in one building.

Police patrols often - feels safe

small historic town

University

Millersville has a suburban personality - not too built up, semi-rural feel. Reminds me of Levittown PA in the 50s and 60s.

It used to be a farming community and still has a slightly small town feel.

small, friendly

Accessible to everything

9	I really wish we had at least one coffee shop/community gathering space (more would be better!). With a relatively large college campus at the center of the community, it is very odd to not have an off-campus place for people to gather, study, and grab a beverage/snack. I realize there are a few restaurants (though there could be more of those too!), but a coffee shop serves a very different purpose.	3/30/2022 9:38 PM

126	Traffic congestion around the University, and zig zag exiting from Duke Street to Frederick Street and back to Duke Street. There has to be a plan in the works to alleviate this convoluted traffic pattern??? In spite of this, I think that the University does an EXCELLENT job of instructing the students about pedestrian safety in this area! And the majority of students are compliant!	1/14/2022 3:00 PM
127	I dislike the idea of that farm on 741 being replaced with retail. I hope this doesn't become a trend in Millersville. So many contractors are developing land for new retail. But there are not enough workers or clients to shop at the existing retail in Lancaster county.	1/14/2022 2:50 PM

190	The lack of enforcement of ALL the Zoning rules NOT being enforced. Along with police not enforcing the rules with run down cars being left to sit in a residents driveway or parked on the grass of the resident for a lengthy time. Very loud vehicles within the borough. So like when you raise a child you must always be one step ahead of that child. Meaning we have rules (we don't need to keep adding more just read what is already there) that need to be enforced and once the word gets out that they are being enforce.... like a child they might just learn!	12/23/2021 3:18 PM

276	The limited businesses. Very little in way of cultural venues, outside of the university. I would bet the majority of university students travel outside of Millersville to spend money (not including rent) ... wouldn't it be nice to boost the local economy by providing businesses that attract college students (besides Sheetz?! And, that place is a hot mess) Props and kudos to Phantom Power!!	12/10/2021 12:12 PM

286	I have been a resident for more than 35 years. I feel there has been no vision to improve the community. While I like the small community environment, I believe especially with a beautiful university, we need to improve the area by having a downtown area for citizens to visit. Take a look at increased building in Mount Joy, Lititz and Strasburg. It is still possible to have to have a small community feel, but we need to expand options for businesses. Please do not continue to give permits for a new business when we already may have something like pizza already. You are hurting the current business and most likely not helping the new business establish a successful venture. My daughter has moved to Warwick, New York. Take a look at their very cute, several block business district. If Millersville residents want to have a small community feel, it can be done with several blocks on George Street devoted to the "Hallmark" feel. With such a pretty university campus, there is basically nothing to do in Millersville. It could benefit from have cute shops near the campus.	12/10/2021 10:03 AM
287	The traffic! The traffic is especially bad when the college is in session. Please do NOT allow the proposed affordable housing project to proceed on 741 between St. Phillip's Church and the Sheetz at Comet field. This would create a traffic nightmare and would cause an over saturation of students into the already full schools in the area.	12/10/2021 9:15 AM

289	the college traffic	12/10/2021 8:02 AM
290	It lacks a main street and identity outside of the university which does very little to promote opportunities and growth in the borough.	12/10/2021 6:24 AM
291	At current time the trash haulers inconsistency. Also the home owners or renters leaving there trash on the curb all week. Inefficient out dated street lighting and intersection lights. New business owners that do not abide by the ordinances such as parking on lawns , which in turn plummets property values. Example Barber shop on W. Fredrick. Business and clientele is subject to question.	12/9/2021 10:33 PM

306	It is terrible for walking and the intersection by Millersville Mart is awful. For a town as great as Millersville a nice round-a-bout would be a nicer entrance. Perhaps a sign "Welcome to Millersville: Home of Millersville University" or something like that. Also, we don't really have a walkable business district with stores and shops.	12/9/2021 4:17 PM

355	The sidewalks. I walk every morning and use several streets where the sidewalks are dangerous. I tripped over and uneven joint in the sidewalk on George Street and Brenneman Avenue and fell, causing cracked ribs. Throughout the borough, the sidewalks are not wide enough for wheelchairs, and in some places have utility poles in the middle of them! We can do better.	12/9/2021 11:08 AM

College students througowing trash on the streets.

This survey.

Speeding on main roads.

Areas which are becoming built up, esp. without much aesthetic considerations

Few small retail businesses and restaurants (2 comments).

Greedy people selling off their land to allow unchecked development so that ends up becoming like everything else

Rundown houses along 999

Taxes (2 comments)

Over-development.

Too many rental units.

Parking problems on streets.

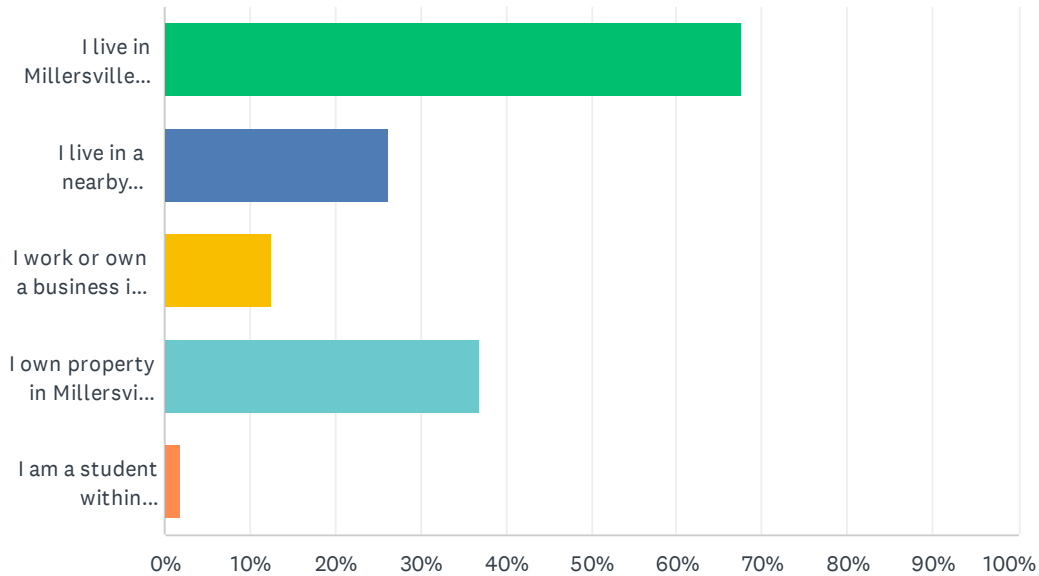

Not enough amenities

Millersville Citizen Survey

This entire survey seems pitched toward developing our quiet town and turning it into a mini-metropolis by building cookie-cutter housing and businesses over our few remaining grassy areas. We moved here because it was quiet, safe, and peaceful, we like it that way. Please do not ruin it by trying to create some sort of "town center." Why do we need that? One of the things we enjoy most is being able to safely walk to any place in the Borough. More businesses means more people and more traffic.
