WOODY/YARD WASTE COLLECTION

Woody/Yard Waste (WYW) Collection will begin on **Monday, April 5, 2021 and continues through Monday, October 25, 2021**, on scheduled collection dates. WYW includes grass, leaves, garden residue, acorns, pinecones, nut burrs, branches and prunings from trees and shrubbery. During the WYW collection period, the brown biodegradable bags must be used with a **green service tag** attached. Branches, limbs and other prunings less than 6 inches in diameter and no more than 4 feet in length can be bundled with biodegradable string and placed curbside for collection with a **green service tag**. The biodegradable brown bags are available to Borough trash & recycling residents and are located in the Police carport, at the rear of the Borough office. WYW biodegradable bags and bundles should not exceed 30 lbs. in weight. Do not staple or tape bags. During the collection period, WYW does not count as one of your three regular trash items. If found untagged, it will not be collected by the hauler. Tags can be purchased at the Borough office and are sold in a sheet of four for \$5.00. We accept check, cash, or money order. You may also send a check to the Borough office and we will mail the tags to you.

For more detailed information, please view the 2021 Trash and Recycling Newsletter on our website or call the Borough office at 717-872-4645 ext 100.
