Resident of Millersville Borough,

East Charlotte Street will be closed between Penn View Drive and Brookview Drive from Monday, February 5, 2024 through Friday, February 9, 2024 during the hours of 7:00 AM to 4:00 PM. There will be no through traffic, but homeowners will have access to driveways. There will be a detour to Valley Road in both directions.

Continuing on Monday, February 5, 2024, a sewer bypass pump will be set up in the intersection of Herr Avenue and East Charlotte Street.

As this project continues, the Borough will update residents as often as needed about road closures, detours, and equipment set up.

We appreciate your cooperation during this essential public works project and apologize for any inconvenience this may cause.

Sincerely,

A handwritten signature in black ink, appearing to read "David T. Aichele".
