Resident of Millersville Borough,

Over the next few weeks, the Borough is undergoing a community-wide curb and sidewalk project, involving the replacement of ADA ramps throughout the Borough.

The first section of work will begin on East Cottage Ave from Monday, July 29th through Friday, August 2nd during the hours of 7:00AM to 4:00PM. There are limited road closures expected, however there will be flaggers directing traffic during the majority of the work. Homeowners will have access to driveways.

We will keep the community updated throughout the life of this project about possible road closures and traffic changes.

We appreciate your cooperation during this essential public works project and apologize for any inconvenience this may cause.

Sincerely,
