Resident of Millersville Borough,

The last phase of the Charlotte Street Sewer project work will begin on Wednesday July 17th with street milling and continue on Thursday July 18th and Friday July 19th with street paving. There will be road closures on East Charlotte Street and Kready Avenue, and there will be flaggers where needed.

This work will occur during the hours of 7:00AM to 4:00PM at which time, homeowners will not have access to their driveways. We are asking all residents to park on Herr Avenue, Penn View Drive, Spring Drive, or Brookview Drive.

The detour for Charlotte Street will be Quarry Drive to Herr Avenue and Brookview Drive to Valley Road to Penn View Drive to Landis Avenue. The detour for Kready Avenue will be Ridge Avenue to East Charlotte Street.

We appreciate your cooperation during this essential public works project and apologize for any inconvenience this may cause.

Sincerely,

A handwritten signature in black ink, appearing to read "Rebecca DeSantis-Randall".
